

My Bitstrip & I

Kara Carrell | @KaraAJC

Hello!
I'm Kara.

What's Dev Bootcamp???:

An immersive 19-week
computer programming
program designed to
graduate job-ready
software engineers

RIP

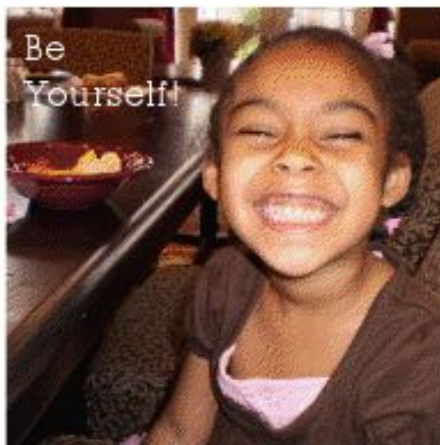

**Writing is Hard, but
Expressing yourself is Easy**

Brought To You by:

Kara Carrell
Navigators Guild

Take this reference sheet with you,
if you have more questions feel free
to contact me!

Kara@

Ways To Use Social Media

Listen: Take time to listen to what others are saying about you, your issues, and similar Orgs.

Share: Share your knowledge! The right people will be glad you did!

Engage: Build relationships with your supporters and champions, be a valuable member of the community!

Collaborate: Have projects you can bring others in on? Do it!

Activate: Empower your champions to take your message further online.

**Social Media
Reference Sheet
I Created
In 2009**

Join Lighthouse
Church for a non-
denominational
christian service on

8

mon

Biz.

An evening dedicated
to help small business
owners connect &
those interested in
starting their own
small business

9

tues

Tools
For The
Casual

Join us for two
concurrent workshops
on 1) Trans Allyship
building & 2)
Advocate training

Calendar Poster
I created for
ULPweek in
2015

Conveying Ideas visually is Important

.... And SUPER FUN!!

Meet Kara, the
Bitstrip

... or bitmoji

How I Use My Bitstrip Avatar:

2-PADDING:

**The
Spacing
around
your
content**

3-BORDER:

**The part that
shows where
your element
starts and ends**

1-CONTENT:

**The STUFF
you put
inside your
element**

4-MARGIN:

**The spacing
around your
element
(or lack thereof)**
